

At **ZTE Telecom India Private Limited** we understand that our responsibility doesn't end at selling you our products. **ZTE Telecom India Private Limited** has been working in the area of safe disposal of electronic waste. Since mobiles, tablets and other electronic items are made of hazardous constituents. Under our global policy as well the legislation passed by the Ministry of Environment and Forests (MoEF), called E-waste (Management & Handling) Rules, 2011, which comes into effect from 1st May 2012,

- **ZTE Telecom India Private Limited** will seek shared responsibility and cooperation from customers in reducing the environmental impact of their products.
- **ZTE Telecom India Private Limited** will comply with all the applicable laws related to e-waste management.

As a part of e-waste recycling initiative, **ZTE Telecom India Private Limited** has partnered with 3R Recycler, India's leading electronic Asset Management Company to comply with E-Waste management and Handling Rules in providing environmentally sound management of end of life electronics.

**3R Recycler** - As part of this partnership with 3R Recycler, the company will provide e-waste drop off centres and ensure environmentally sound management of electronics that have reached their end of life phase. 3R Recycler has obtained all the necessary authorizations from the appropriate governmental agencies for their processing facilities. 3R Recycler ensures proper recycling and disposal of e-waste. This helps us protect the environment from any hazardous consequences, which would be otherwise caused by the inappropriate waste management of e-waste.
